

CURRICULUM VITAE

SHORA YOSUF DARWISH MOSTAFA

PERSONAL:

DATE OF BIRTH: December 25th, 1953

MARITAL STATUS: Married with two children

NATIONALITY: Egyptian

CURRENT POSITION: Professor of Neurology, & Pediatric Neurology, Faculty of Medicine, Al-Azhar University, since 2000

WORK: Department of Neurology Al-Azhar University Hospitals,
Al- Darrasa, Cairo, Egypt, (00202-25065579)

PHONES & ADDRESSES:

PRIVATE

***CLINIC:** Dokky Sq., Cairo, Egypt. (00202-33388151),

***AGIAL CENTER for special needs :** Maadi, Cairo, Egypt .(00202- 25162324),

HOME: (10c) ,10 sector, Maadi, Cairo, Egypt , (00202-27031110)

MOBIL: 00202- (01223512692)

E.Mail: Dr_Shora_mstfa @hotmail.com

LANGUAGE:

Arabic (Fluent)

English (Fluent)

EDUCATION:

Bachelor Medicine (MBBCH) :

December, 1979

General Medicine and Surgery,
Faculty of Medicine Al-Azhar University, Cairo, Egypt

Master of (Neurology and Psychiatry):

November, 1983.

Dissertation on: "EEG changes in case of nocturnal enuresis in children".
Department of Neuropsychiatry, Faculty of Medicine Al-Azhar University,
Cairo, Egypt

Doctorate of (Neurology):

April, 1989

Dissertation on: "minimal brain dysfunction syndrome as a cause of
educational retardation in primary school children".

Faculty of Medicine, Department of Neurology
Al-Azhar University, Cairo, Egypt

Post Doctoral Fellowship

July, 1992

(Pediatric Neurology and Handicapped Children)

John Hopkins University & Kennedy Krieger Institute Myreland, USA

EXPERIANCE:

***House Officer 1980-1981**

Pediatric, Internal Medicine, Surgery and Obstetric
Al-Azhar University, Cairo, Egypt

***Clinical Resident , (1981-1984)**

Department of Neuropsychiatry Faculty of Medicine,
Al-Azhar University, Cairo, Egypt

***Assistant Clinical Lecturer, (1984 – 1989)**

Department of Neurology, Faculty of Medicine
Al-Azhar University, Cairo, Egypt

***Clinical Lecturer, Sept. (1989)**

Specialty in Pediatric Neurology,
Department of Neurology, Faculty of Medicine
Al-Azhar University, Cairo, Egypt

***Post Doctoral Research Fellow, (1991-1992)**

Specialty in mental retardation research
Department of Radiol/Nucl. Medicine, Faculty of Medicine,
Johns Hopkins University, Baltimore, MD. (USA)

***Post Doctoral Research Fellow, (1991-1992)**

Specialty in Pediatric Neurology & Mental Retardation
Department of Neurogenetics,
Kennedy Krieger Institute, Baltimore, MD, (USA)

***Consultant in Neurology .(since 1993)**

General, Private and Health insurance hospitals.

***Assistant Professor of Neurology, (Oct., 1994)**

Department of Neurology, Faculty of Medicine
Al-Azhar University, Cairo, Egypt

***Professor of Neurology, (since Nov., 2000)**

Department of Neurology, Faculty of Medicine
Al-Azhar University, Cairo, Egypt

ADDITIONAL EXPERIANCE:

. *Doctor of Birth and Mortality Health Office, March, 3 – Aug, 17,(1981)

Ministry of Health, Cairo, Egypt

***Neurologist in Health Insurance Hospitals,(1983-1985), Cairo, Egypt,**

***Neurologist, Major Officer, (1985-1987)**

Army Force Hospital, Department of Neurology, Ministry of Defense, Cairo, Egypt,

*** Consultant Neurologist in Health Insurance Hospitals, (1989-1993)Cairo, Egypt**

*** Consultant Neurologist & Head of Neurology Department, (1993 -1999)**

Al-Mana General Hospitals, Dammam, Saudi Arabia, ,

***Chief and Owner of Agial Center for Special Needs Children, (since 2001), Maadi, Cairo, Egypt,**

***Head of Pediatric Neurology Unite, , (since 2001),**

Neurology Department, Al-Azhar University, Cairo, Egypt

***Judge of Neurology Association , (since 2006),**

Al-Azhar University, Cairo Egypt

***Judge of Neurology and Pediadric Neurology, (since 2007)**

Scientific Research Academy, Cairo Egypt,
***Visiting Professor of Pediatric Neurology,(2008-11).**
Saudi Germainal Hospital ,Sanaa , Yemen, periodically ,
***Chief of Pediatric Neurology Group, (since 2012),**
The Egyptian Society of Neurology, Psychiatry And Neurosurgery

REFERENCE:

EGYPT

* **Fathi M. Afefi, MD**

University Professor of Neurology,
Neurology Department,
Faculty of Medicine, Al-Azhar University, Cairo, Egypt

* **Mohamed Shaalan, MD**

Professor, of Psychiatry
Department of Psychiatry
Faculty of Medicine, Al-Azhar University, Cairo

* **Saher Hashem, MD**

University Professor of Neurology,
Neurology Department,
Faculty of Medicine, Cairo University, Cairo

* **Sameha Abdul Moneim, MD**

University Professor of Neurology,
Neurology Department,
Faculty of Medicine, Ain Shams University, Cairo

* **Farok Talaat, MD**

University Professor of Neurology,
Neurology Department,
Faculty of Medicine, Alex. University, Cairo

* **Mahmoud Raafat, MD**

University Professor of Neurology,
Neurology Department,
Faculty of Medicine, Assiut University, Cairo

USA

* **Hugo Moser, MD**

University Professor of Neurology and Pediatrics
Director of center of research on mental retardation
And related aspects of Human Development.
John Hopkins University / Kennedy Krieger Institute

***Skabe Naido, MD**

University Professor of Neurology and Pediatrics
Assistant Director of center of research on mental retardation

And related aspects of Human Development
John Hopkins University / Kennedy Krieger Institute.

*** Henry Wagner, MD**

Professor, Department of Radiology / Nuclear Medicine,
School of Medicine, John Hopkins University

***Harvy Levy. MD**

University Professor of Pediatrics,
Director of Center of Research on Metabolic Screening of Newborns,
Children Hospital,, Harvard University .

Professional Society Membership:

- * The Egyptian Society of Neurology, Psychiatry And Neurosurgery, **since,(1984)**
- *The American Congress of Neurology, **since,(1992)**
- * The Egyptian Society of Child Neuro- Psychiatry, (ESCNP), **since,(2003**
- * The International Child Neurology Association (ICNA) (Italy), **since,(2004)**
- * The Egyptian Society of Stroke, **since,(2005)**
- * The Egyptian Society of Multiple Sclerosis, **since,(2006)**
